Press Release no. 16

The next appointment in presence with INTRALOGISTICA ITALIA, the leading trade fair in Italy for internal logistics, is drawing near

In a general scenario of uncertainty, INTRALOGISTICA ITALIA intends to continue being a market reference point, while maintaining its commitment to offering operators in the world of intralogistics a benchmark window in Italy for the most innovative solutions for the modern warehouse.

Milan, 1st February 2022. ust a few months from the next edition, over two thirds of the spaces have been booked by Italian and foreign exhibitors, who have confirmed their confidence in and presence at the leading trade fair event in Italy for the internal logistics sector. The constant flow of registrations, which has intensified over recent weeks, has convinced the INTRALOGISTICA ITALIA Organisational Secretariat to confirm that the trade fair will take place **in presence from May 3rd to 6th 2022 at Fiera Milano Rho**, concurrently with IPACK-IMA, Green Plast, Print4All and Pharmintech.

At the current time important sector players such as ALASCOM - AUTOMHA - BEUMER - BITO - BM GROUP POLYTEC – COLLINI SISTEMI - COMPATT - DEMATIC - DMR – ELEMENT LOGIC - ESISOFTWARE – FASTHINK - FIVES INTRALOGISTICS - GO SYSTEMS – GS INDUSTRY - HANDHELD – HANEL - HÖRMANN – INCAS-SSI SCHAEFER – INCARICOTECH - INTERROLL - KARDEX – LCS – LOADHOG - LYTO'S - MANHATTAN ASSOCIATES - MECALUX - MIAG FAHRZEUGBAU - MODULA - MPM - MPS ENGINEERING – OMRON – PALOMAT - PASSEPARTOUT - POLAR – PROTEKT - QS GROUP - RITE-HITE – SAVOYE - SIPI - SPE ELETTRONICA INDUSTRIALE – SWISSLOG - TELLURE ROTA - TENTE RUOTE - TRASCAR - UTECO CONTEC

and many others have already formally confirmed their registration.

The exhibitors this year also include both Italian and foreign software companies, a clear sign of the growth in interest from an increasingly wider range of product categories that recognise INTRALOGISTICA ITALIA as the reference showcase in Italy for warehouse logistics. From an intralogistics solutions user point of view, the interest from sectors already exhibiting at the previous edition representing the different industrial manufacturing sectors remains strong. It is possible to consult the visitor's profile page on the exhibition's website for further details.

Further confirming the market importance of INTRALOGISTICA ITALIA, the number of companies that make up the **Exhibition Advisory Panel** has expanded over the last two years and includes Automha, Bennet, Bialetti, Bito, Decathlon, Dematic, Ferrero, Fives Intralogistics, Grand Vision, Haier, Incas-SSI Schaefer, Interroll, Kardex Remstar, Latteria Soresina, Leroy Merlin, Mecalux, Modula, Rite-Hite, Savoye, Sigma, Swisslog, DB Schenker, Teva and Verallia.

This year exhibiting companies will benefit from the involvement of the agency ICE, which will strengthen the presence at the trade fair of operators and buyers from Europe, the Mediterranean area and the Middle East. In addition, the solutions and new products offer will be enriched through a digital showcase to guarantee maximum visibility for exhibitors and offer the opportunity to experience the programme of on-demand conferences both during the days of the exhibition and those that follow.

New partnerships for INTRALOGISTICA ITALIA

The INTRALOGISTICA ITALIA Organisational Secretariat is continuing to monitor market trends and is moving forward with its institutional partnerships and supporting initiatives and activities useful for companies, such as the publication of the first edition of the AISEM allied with ANIMA Confindustria White Paper on Intralogistic Systems which is scheduled for the month of February.
Alongside the continuation of already consolidated partnerships, INTRALOGISTICA ITALIA has signed new agreements with the academic world and in particular with the “Gino Marchet” Contract Logistics Observatory and the B2c Logistics Center for a programme of conferences from May 3rd to 6th as part of the exhibition taking place at Fiera Milano Rho.

Supply Chain logic has been confirmed with The Innovation Alliance

In a complex period like the one we are currently experiencing, an important contribution, not only to operator attendance and the exhibition’s international status, but also to the resonance and promotion of all trade events will be provided by the synergy of INTRALOGISTICA ITALIA with the trade fairs **IPACK-IMA, Print4All, Green Plast and Pharmintech**.

In a supply chain logic, different sectors united by an extremely high level of innovation and major investments in R&D will once more give life to the format **The Innovation Alliance**, making the trade fair event, scheduled from May 3rd to 6th 2022 at Fiera Milano Rho and much awaited by over 100,000 visitors, a not-to-be-missed opportunity to see the best of instrumental mechanics up close.

In the coming weeks updates will be provided about the new format and the map of the fairgrounds will be formalised. As already in the previous edition, INTRALOGISTICA ITALIA will be located in pavilions 6 and 10 together with the end line solutions by Ipack-Ima, guaranteeing a constant flow of visitors.

To participate as an exhibitor, it is still possible to contact the INTRALOGISTICA ITALIA Organisational Secretariat at the following address: info@intralogistica-italia.com

Updates on visiting the exhibition will follow in the coming weeks.
